

## SYNMAR SCREENWASH CONCENTRATE | S500500 V24-0405

### Description

Synmar Screenwash Concentrate is a high-quality windscreen washer antifreeze concentrate. An undiluted, powerful windscreen washer antifreeze concentrate that can be used all year round with frost protection of your choice when diluted with water. The special composition protects against re-freezing and removes road dirt quickly.

Product features:

- Excellent cleaning properties
- Formulated to effectively remove insect stains, salt and traffic film
- Pleasant fresh citrus scent
- Safe for wiper blades and rubber seals
- Ethanol-based formulation

Synmar Screenwash Concentrate can be added to the water in the windscreen washer tank. By adding it in different proportions, a high degree of protection against freezing is achieved. The product is less harmful to the environment than windscreen washer fluids based on Methanol or IPA and less harmful when in contact with the skin.
